# CD Changer Bracket Kit Installation Instructions

**PURPOSE:** This instruction sheet is intended to clarify the BMW installation instructions included with the BMW CD Changer bracket kit.

## 5 Series

97 thru 03

**PART NUMBER:**

82 11 1 469 911

**PROCEDURE:**

1. Follow the BMW installation instructions through step 8.
2. Note that there are two brackets in the installation kit (see Figure 1). One installs on the CD changer, the other installs in the vehicle. At step 9 of the BMW instructions, note the three screws securing the Cd changer bracket in the floor of the vehicle, this is the second bracket that is included in the installation kit (see Figure 2). Your vehicle may or may not already have the lower bracket installed. If not, install the lower bracket now.
3. Proceed with the BMW installation instructions.
